RAILFUTURE LIMITED (FORMERLY THE RAILWAY DEVELOPMENT SOCIETY LIMITED) No 5011634 **DIRECTORS' REPORT** FOR THE YEAR ENDED 31 DECEMBER 2017

The Directors present their report and financial statements for the period ended 31 December 2017.

Review of activities

The principal activity of the Company continued to be that of a campaigning organisation for the protection and development of railway transport in the United Kingdom.

The Board of Directors met 4 times in 2017. Subjects discussed were many and varied but centred around the 'core' matters of campaigning, marketing, fundraising, membership, publicity, policy, finance, conferences and meetings, business planning, branch matters and committee matters.

At the Annual General Meeting in May 2017 members agreed to rename the Company to Railfuture Limited to better reflect our strategic direction. This change was implemented shortly after the end of the period to which these accounts relate.

The Board took direct control of major policy decisions but delegated administrative and more detailed policy matters to its specialist Groups for further consideration and action. This allowed the Board to focus on the future direction of the Company. A new European Passenger Group was established to deal with matters of travel between Britain and European countries.

Results for the Year

The Directors report a loss after tax on the Profit and Loss Account of £2,285 compared to a loss of £3,710 in 2016. The net assets of the Company decreased by £4,184 primarily as a result of this loss.

Income from subscriptions, donations and campaigning reduced from £46,102 to £45,627 mainly due to a small reduction in donations offset by a small increase in legacy income. Campaigning expenditure has risen from £33,416 to £36,062 mainly due to an increase in activity at branch level.

Operating and administration expenses have decreased from £26,982 to £25,182.

The operating loss for the period was £15,616 compared with a loss of £14,296 in 2016.

Due to the continuing low interest rates on offer returns from money held on deposit have continued to be poor. The Company continues to take advantage of higher fixed term interest rates with £112,361 in fixed term deposits ranging from 12 to 24 months.

The Directors aim to use members' money wisely. Management Information is used to understand where costs are being spent, and effort is made to find ways to control costs. The following costs were incurred at national level (excluding branch activity) in 2017.

Travel (incl. Directors) and Meeting room hire £4,505 (2016 £5220)

All Directors are required, as a condition of holding office, to disclose a fully itemised list of their expenses while they are directors. These can be viewed, along with a personal statement, at www.railfuture.org/expenses.
