1. Personal Statement

Whilst taking my responsibilities as a *Railfuture* director very seriously, believing my work to be for the greater good, I consider my involvement to be a hobby. I do not expect our members to pay to me to indulge my hobby, and therefore I do not claim expenses for something I have chosen to do. I claim for my costs only where I have been asked to do something by the Board or the chairman (I was asked to become acting chair of the West Midlands branch in 2011). Therefore my expense claims are low. This has been the case since I joined the Board in 2005.
