# Railfuture Campaigner of the Year Award

**Jane Ann Liston**

**Secretary of Railfuture Scotland**

The judges acknowledged that Jane Ann had 'gone the extra mile' with her persistence in campaigning for the St Andrews rail link but also her wider contribution to raising the profile and awareness of Railfuture across the whole of Scotland, especially in the Scottish media, and helping to make Railfuture the 'go to place' for informed input and advice. She helps to promote Railfuture's vision for a bigger, better railway and is a worthy winner.
