## 1. Personal Statement

Whilst taking my responsibilities as a *Railfuture* director very seriously, believing my work to be for the greater good, I consider my involvement to be a hobby. I do not expect our members to pay to me to indulge my hobby, and therefore I do not claim expenses for something I have willingly chosen to do. I claim for my costs only where I have been asked to do something by the Board or the chairman (I was asked to become West Midlands branch liaison) or where I have no control over my activities (hence I claim the internet & printing allowance). Therefore my expense claims are low. This has been the case since I joined the Board in 2005.
