Expenses Year: 2018
 In office: All year
Director of Finance & IT
Board liaison with East Anglia branch

1. Personal Statement

Whilst taking my responsibilities as an unpaid *Railfuture* director very seriously, believing my work to be for the greater good, I consider my involvement to be a hobby that I enjoy and is productive. I do not expect our members to pay me to indulge my hobby, and therefore I do not claim expenses for something I have chosen to do. I focus on what I can do for Railfuture not what it can do for me, and I never exploit our members for financial advantage. I claim for my costs only where I have been required by the Board or the chair to do something beyond my remit. Therefore, my expense claims are low (or zero). This has been the case since I joined the Board in 2005.
