

The Marshlink is Open!!

To celebrate the re opening of the Marshlink Railway, Sussex Community Rail Partnership is hosting a series of walks from stations along the line.

See over leaf for details of the walks. It is advisable to pre book and for the Winchelsea Cellar Tours this is essential. Come by train to get the full experience. Walks are free or by donation but rail fares have to be paid. See www.southernrailway.com for advance booking and Marshlink discounts.

To book or for more information or assistance please call Sam on 07891 556897 or email sam@sussexcrp.org. To find out more about other events in the area follow us on twitter or visit our website www.sussexcrp.org

Also with thanks to Nick Brown & Ken Girkin, John Spencer at The National Trust
