Train and bus – Partnership working

- GWR working in collaboration with local authorities and bus operators to promote connected train and bus services
- Promote the use of connected train and bus services as a reliable and attractive alternative to the car.
- Partner artwork to increase awareness of reliable, connected services between train and bus
- Design can be tailored where appropriate and used in stations, bus shelters, bus posters, bus livery, advertising billboards – can incorporate partner logos

OFF ON YOUR TRAVELS?
THERE'S A BETTER WAY TO GO

Hop on and switch off
when you go by train and bus

Whether you're window-gazing or working away, reclaiming some precious me-time is easier than you think when you travel by train and bus – plus, it's a more eco-friendly way to get where you're going.

Visit [GWR.com/trainandbus](https://www.gwr.com/trainandbus) or
[Traveline.info](https://www.traveline.info) for more information.

Going your way

Trains and buses working together
to get you where you're going.

Wherever you're off to, it's easier to go by train and bus.

Regional Line Performance Comparison

Dartmoor and Tarka Line Comparison

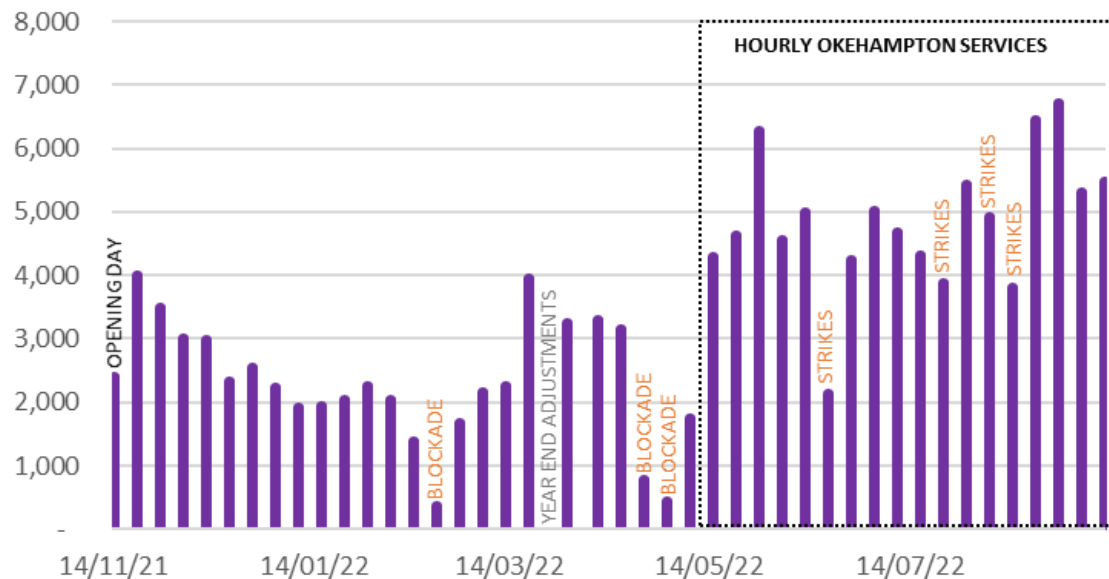

Dartmoor Line Updates

11 months since opening:

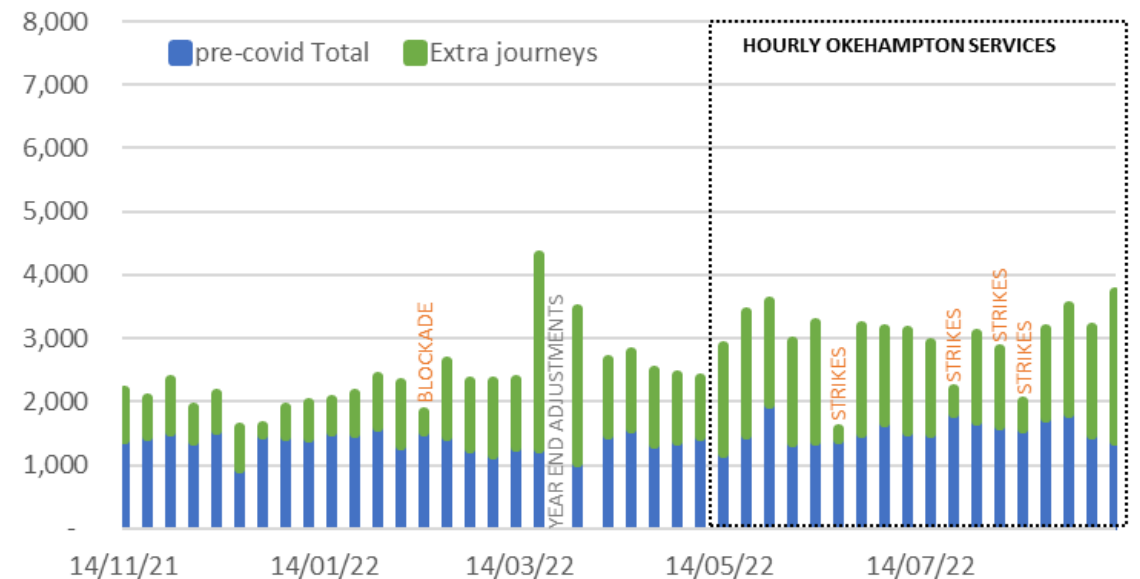

More than 150,000 journeys at Okehampton, circa 40% being destination travel to Okehampton

More than 50,000 additional journeys at Crediton, 80% increase since opening

Okehampton Journeys per week

Crediton Journeys per week

West Infrastructure Improvements

Marsh Barton Station

- Construction works proceeding well, with things like platform copers and comms cabinets the latest to be installed.
- Discussions due to be held next month on setting an opening date and go/no go positions based on final works.

Future Projects

Restoring your Railway

Cullompton & Wellington - £5m development funding awarded to continue development

Mid Cornwall Metro - £1.5m development funding awarded to continue development

Tavistock to Plymouth – Strategic Outline Business Case submitted by Devon County Council

West Devon Transport Hub (Okehampton Parkway) – Passive provision created when the Dartmoor Line was upgraded and opened. Levelling up bid submitted based on Feasibility Stage

Other Projects

Exeter - Axminster – Strategic Outline Business Case being developed, with funding from Peninsula Transport Board and Devon County Council, to take forward proposals for additional loops to enable frequency increase

St Ives Line – development continues with funding from Small Operational Enhancements Fund on plans for St Ives station rebuild and longer term proposals for a loop and frequency increase

Edginswell – £7.4m new station on the Riviera Line in Torbay due circa 2024
