Britain's leading *independent* campaign for a bigger better railway for passengers and freight

Railfuture goes to the Palace

Our regular stall (no.101 this year) – as well as the rest of the show – will be well worth a visit on Saturday 18th between 10.00-17.00, 10.00-16.30 on Sunday 19th. Free Shuttle buses from and to Wood Green Piccadilly line station, via Alexandra Palace mainline station (above right, and bearing its fourth name since opening in May 1859!) which may have no rail services on the Saturday.

What shall we be doing this month?

London and South East regional branch members and / or committee members will be:-

- ~ participating in an alternate-monthly meeting of the Uckfield Railway Line Parishes Committee.
- ~ participating in an alternate-monthly meeting of the Brighton Transport Partnership.
- ~ participating in the Southeastern Stakeholder Forum.
- ~ making submissions to the Planning Inspectorate on a site in Ringmer which is of vital interest to a potential new Uckfield-Lewes rail link and now the subject of two appeals on the same site against refusals of planning permission for either 75 or 200 new homes.
- ~ holding a regular meeting **online** of the L&SE regional branch committee, with thoughts focussed on organising our own AGM in April and the national AGM and award presentations which we're hosting in July.
- ~ holding regular meetings of our Sussex & Coastway, Eastern and Herts & Beds Divisions (**online**).

Our vision for Railfuture: An independent organisation whose views are respected by the rail industry, to which decision makers come for advice, which rail users are proud to join and recommend.
