## Uckfield traffic improvements Phase 2

# **railfuture**

## Bridge the gap - Connect East Sussex

**An  
Incremental  
Approach**

**2014**  
Network Rail  
Route Study  
to review  
Lewes –  
Uckfield

**2015-18**  
Project  
definition/  
development

**2017**  
HLOS to  
include  
Uckfield –  
Lewes  
reinstatement

**2018**  
Platform  
lengthening/  
Service  
acceleration

**2019-22**  
Reopening with  
services  
extended to  
Brighton and  
Sussex coast

**2022-29**  
Line  
redoubled  
to increase  
capacity

**2030-39**  
Crossrail 3  
built and  
linked

At points in this incremental development both electrification and a link to Tunbridge Wells become viable
