Dear Sir/Madam,

## **Delivering new community facilities and homes in Ringmer**

Raifuture is Britain's leading and longest-established national independent voluntary organisation campaigning exclusively for a better railway across a bigger network for passengers, and freight users, to support economic (housing and productivity) growth, environmental improvement and better-connected communities. We seek to influence decision makers at local, regional and national levels to implement pro-rail policies in development and transport planning.

### **Which additional community facilities would you most like to see in Ringmer?**

Outdoor play areas for children  
Multi-use games area  
Community hall / meeting place  
Nature walk / biodiversity trail  
A wildflower meadow (or similar)  
Indoor play for children  
A rewilding area  
Outdoor gym  
More sports pitches (football, rugby, cricket etc)  
Tennis courts  
Community café  
Public open space  
Flexible workspace  
Other – please specify: a railway station, on a new line between Uckfield and Lewes
