

# Transport for the South East Transport Strategy Refresh

## Phase One Survey

### Our Transport Strategy Themes

Our 2020 Transport Strategy was set under three key themes: Economic, Environmental and Social

#### Q How would you rank the three themes in order of priority?

(Please write the numbers 1 to 3 against the three themes, with 1 being the option you consider the top priority)

Economic: Improve productivity and attract investment to grow our economy and better compete in the global marketplace	1
Environmental: Protect and enhance the South East's unique natural and historic environment	3
Social: Improve health, safety, wellbeing, quality of life, and access to opportunities for everyone	2

### Our Transport Strategy Priority Areas

Over the past five years, since the publication of our Transport Strategy there have been many changes to the way we live, work and travel.

We want to understand if given these changes, your priorities have also changed.

We are going to present the priorities identified in our Transport Strategy for your views on this.

#### Q Compared to 5 years ago, would you say the following economic priorities are now more or less important to you?

	Much more important	More important	No change	Less important	Much less important	Don't know / not sure
Better connections to major destinations and international gateways such as airports, rail stations and ports	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
More reliable journeys to major destinations and international gateways such as airports, rail stations and ports	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

An affordable and accessible transport network that reduces barriers to employment, learning, and leisure activity	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
An integrated transport network, making it simpler to plan and pay for journeys and change between different forms of transport	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
A safe transport network with no fatalities or serious injuries amongst transport users and workers	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

**Q Are there any other priorities you think we should consider as part of the Transport Strategy Refresh?**

*Advocacy for the principle of using price mechanisms to manage demand for travel across all modes, already applied to eg public rail travel and, in order to more directly and equitably influence behaviour choices about mode, to be extended and applied to private road travel too.*
